PAXSTORE turns your entire POS into a well-organized, multitasking community, so you can now do more for your business than you ever imagined. PAXSTORE integrates your POS terminal with your entire merchant or online store, making it more complete and powerful. POSSTORE uses your computer to create the store so you don't have to deal with setup. It integrates with all your devices: desktops, PDAs, smartphones - whatever combination you have. You can create your own stores and upload products. It also supports cash, credit card and PayPal payments.
