□

A dark fantasy game for the Elder Scrolls series developed by Bethesda Game Studios. • Set in the game's own universe Discover an open-ended fantasy world completely different from the Elder Scrolls series. The choice of a character's appearance, battle equipment, and other items is up to you. You can freely customise the appearance of your character. • An Epic Past The war waged against the Daedric Princes has reached a dead end. With the destruction of the Doom Gates, the cult of the Daedric Princes now dwell in Dark Brotherhood, and as they enter the world of mortal beings, they will continue to lead innocent people to twist their minds and corrupt their souls. • A Vast World Full of Excitement A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. • Fight with and against other players in online multiplayer battles, and you can also encounter them and travel together while the game is in an asynchronous online state. • An Epic Drama Born from a Myth A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. • A Mysterious Item Shop: An Item Shop where you can obtain weapons, armor, and magic based on the storyline. The items are all accessible by levelling up your character. • A Variety of Job Classes for You to Choose From: You can select from a variety of job classes, such as an Archer, a Wizard, or a Hunter, for which you will be called upon to perform jobs within the game. • Develop Your Skill: You can develop your character's strength by performing various training practices (such as daily training and trial training). You can determine your character's degree of concentration by equipping special items, such as horns of concentration or other items. • A Variety of Action Elements: Job systems include various action elements, such as blocking or evasion, and various magical skills, which help you to cope with various situations. • Customise Your Characters: You can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong

Elden Ring Features Key:

A vast world full of scope

A very open world where unlimited discoveries await you. Exploration is not limited to a single dimension, but the vast landscape is constantly changing. The world is full of excitement and surprises!

Explore the world and have fun

Encounter numerous events every day, and fight monsters in dungeons to receive new equipment, roll fortunes, and fill up your score.

Gather information to pull off heists at will!

You can steal items from monsters and other players while moving in real-time. You can even sell the stolen items back to other players to reclaim them in exchange for hard currency. What will you do?

A mysterious drama

Be immersed in the story by participating in the causality of the Lands Between as a free-willed protagonist. Discover who you are, and fight for the life and freedom of the person you belong to. You are not a spectator, but a hunter for justice.

Your fate is in your hands

You are a pioneer of the Elden Ring, and decisions and feats made in real-time have a direct affect on the game world. Do you want to become an Elden Lord and rule the world, and bring justice to the Lands Between?

The first-ever ASCII video game made by Crypton Future Media

We teamed up with the studio we collaborated with on the *Firefall* MMO. They designed the game engine, and participated in development to bring it to life. Enjoy the new fantasy action RPG, then. We will, as well!

Experience a year-long early access program

Play the game during early access to receive early bonuses and enjoy the game as it develops.
