I have a UICollectionView with cells to represent comments. I want to have a separator/border between each cell, but it seems to be possible only with the cells themselves. Is there a way to add a separator between cells in a UICollectionView, or possibly a UITableView? A: You could add a UIView or UIImageView with a background colour on the side of the UICollectionView. [self.collectionView.collectionViewLayout layoutAttributesForSupplementaryViewOfKind:UICollectionViewElementKindSectionFooter atIndexPath:indexPath] .insert(...) .populate().append(...) or [self.collectionView.collectionViewLayout layoutAttributesForSupplementaryViewOfKind:UICollectionViewElementKindSectionHeader atIndexPath:indexPath] .insert(...) .populate().append(...) Where self.collectionView is your UICollectionView and (indexPath, header, footer) = the section header or footer. [self.collectionView.collectionViewLayout layoutAttributesForItemAtIndex:indexPath:indexPath] .populate().append(...) Where self.collectionView is your UICollectionView and indexPath = the cell The only way to do it with a border on the side would be to use the header and footer. A: In swift 3.0 func collectionView(collectionView: UICollectionView, layout collectionViewLayout: UICollectionView

That's the same quick start card I just ordered with my friend. So keep up the good work and hope it comes by the 20th. I am learning a new language for the first time, and using an online language learning resource. I have completed the first language course and for my next practice I would like to translate a poem in the languages that I am learning. I need your help to translate the poem. Thanks in advance! There's a song, by the great Pharrell Williams, called "Happy." It's a song about happiness. Well, I want you to just freely listen to the English lyrics, then translate the meaning of each and every word to the other language. Here it goes: Happy (Intro) Happy is a state of mind. There's joy in the air, something to be said. Let the sun shine in your day, and all your troubles will fade. As you enjoy each moment, 'cause life's a precious gift
