Most current and ancient medical applications of wood have been forgotten. But now we are beginning to re-learn its ancient healing powers. Confer with your own doctor, look up the internet, ask your veterinarian, or simply take your dog for a walk in the woods. New discoveries about how to best promote health and vitality through the power of the woods are creating a new wave of enthusiasm for the most wonderful and natural material. Be sure to use certified wood that is produced in an environmentally-friendly manner. And, as always, be sure to consult a veterinarian if you are concerned about your dog.
